

Since the 1960s practitioners have been using Intravenous Nutrient Therapy with incredible results. IV Therapy soon became the secret weapon of burnt-out stars such as Brad Pitt, Madonna, Simon Cowell and Rhianna, ...to name but a few.

Now, everyone can experience the incredible benefits and greater sense of well-being.

WE ARE DEDICATED TO HELPING YOU ACHIEVE OPTIMUM HEALTH AND A STATE OF PHYSICAL, MENTAL AND EMOTIONAL WELLNESS.

Book a consultation with your practitioner today and Live Life. Well.

IntraVita IV nutrients are used for supplementation purposes only and not to treat any medical conditions. Our formulas are not intended to diagnose, treat, cure, or prevent any form of disease or medical condition. All products are for supplementation purposes only. The vitamins are food supplements "not" dietary supplements. This leaflet purely serves as basic information for patients and does not substitute a detailed and personal consultation with a medical practitioner. This leaflet may not be distributed anywhere other than this practice.

INTRAVENOUS NUTRIENT THERAPY HAS MULTIPLE BENEFITS
